Ski club is considered an extra-curricular activity at St. John's. Adequate academics and appropriate behavior are essential at all times in order to participate in this activity. Any inappropriate behavior will be given one warning thereafter the parent will be called to come pick up their child. A second misbehavior will result in the dismissal of Ski Club without refund. Students are expected to maintain a 2.0 average (C) with no F's.

We have read and understand the school's policy on academics and behavior. We support these guidelines.
