Thank you for supporting St. John's School Lunch Program

Beginning with this school year, family lunch account information was made available through the Sycamore website. Please use Sycamore to monitor your family's lunch account as we approach the end of the school year.

Families with negative account balances are sent home a detailed statement with the youngest student, each Wednesday. In addition, students with negative balances are reminded verbally and have access to reminder notes everyday they take school lunch.

Negative balances must be paid prior to June 2nd.

Lunch money can be sent in on any day and daily deposits are made into accounts.

Money left in returning family accounts will remain in their account for use in the new school year.

Money left in non-returning family accounts will be refunded BY REQUEST ONLY.

Please contact me anytime with questions or to discuss St. John's School Lunch Program.

Thank you!
