

**Mission 2010**  
**Catholic Heart Workcamp**  
**June 13- June 19**

**Approximate Cost**

\$350/participant\*\*

\*\*this estimated cost will include transportation, registration fees for CHWC and mission t-shirts

**Fund Raising**

No more than three fund-raising activities will be planned.

- Marriage Enrichment Dinner—Sat., Feb. 14
  - Family Bingo Night
  - Schwan's Truck Sale

It is important to remember that fund raising will not cover all costs. Mission 2010 participants will be expected to participate in at least one fund-raising activity. No participation beyond this expectation is required. Also, there is no limit to how many sponsor letters that one can write to friends, family, or parishioners. All fund-raising activities must fit into our parish mission and require prior approval of our pastor, Fr. Mike Tix.

**Fund Raising Committee**

This committee is made up of parents and students. They will be working together with the youth minister getting programs together and in charge of any and all funds that are raised. Planning meetings will be scheduled after first information meeting. Please ask Lori if you have any questions or would like to be part of the committee.

**Chaperones**

We will have to provide one adult sponsor for every five young people. If there is even one student of one sex in our group, there must also be an accompanying leader of that sex. Chaperones will be subject to background checks as prescribed by Archdiocesan guidelines, which includes participating in VIRTUS training (schedule to be provided as available from the Archdiocese). At least one chaperone will be a member of the Religious Education staff: our youth minister.

Additional staff may be recruited as chaperones to maintain chaperone to participant ratios.

## **Registration & Registration Deadline**

A non-refundable fee of \$75 and completed permission slip should be returned to the Education Office by Monday, December 7.

## **The Role of Parents of a Mission-Bound Youth**

Parents are integral to the process of preparing for this wonderfully, awesome experience! First and foremost, your children will not be able to participate without your support and prayers.

Chaperones will be needed. If you are interested in being a chaperone, please let Youth Minister Lori Taormina know.

Parents who will work alongside youth during fund-raising events need to comply with Archdiocesan risk management guidelines. Forms are available in this packet and in the Education Office.

Parents who have any questions or concerns about any activity should contact:

Youth Minister Lori Taormina

## **The Role of the Mission 2010 Youth Participant**

Mission participants should be willing and enthusiastic contributors to the success of our efforts.

**These are our expectations for you:**

1. Participate in at least one fund-raising event. (Not only will this provide an opportunity to help raise the money needed to go on Mission, it will provide an excellent opportunity to get to know the other participants and help build community among you)
2. Attend meetings as scheduled.
3. Be accountable to any behavior guidelines as set forth by Catholic Heart Workcamp.
4. To pray for each other always!

## **Role of the Youth Minister & Religious Education Staff**

The parish Youth Minister is responsible for scheduling necessary meetings; assuring participants and/or parents are informed of meetings and/or activities; working with parent committee to develop, staff and promote fund-raising activities; making sure all necessary paperwork is completed and sent to Catholic Heart Workcamp in a timely manner; to be readily available to youth participants and/or parents when questions arise; to supervise youth participants and provide opportunities for faith-filled team and community building.

**Religious education staff will be responsible for all accounts, including  
bookkeeping  
and payments for the Mission.

### **Adding to Your Account Through Fund-Raising**

Each participant will have a personal account recorded in the Religious/  
Education Office. Account updates regularly will be provided; you can access  
information any time by contacting Lori Taormina by calling  
952.890.9434, ext. 232.

The formula for determining the amount of money to be credited to your  
account after a fund-raising event is as follows:

Total amount of money raised divided by total number of hours worked equal  
the hourly rate

Workers will be credited at that determined hourly rate for any hours  
worked.

All participants will be duly informed of planned events and provided an  
opportunity to participate in them. Youth who are unable to participate in a  
particular event may have a responsible family member work for them and  
receive full credit for their hours as if they were present. Youth participant  
can not have more than one person represent them per event.
